*Dr. H. Wayne Hendrick,
Superintendent (retired,
Plano Independent School District)*

2011 marks the 20th Anniversary of the Hendrick Scholarship Foundation. We provide multi-year scholarships for disadvantaged students who overcame significant adversity to graduate from high school. Students receive ongoing support through mentoring, educational planning, and assistance with locating resources to meet basic living needs. We help these young people move from surviving to thriving.

“If it wasn’t for Hendrick I wouldn’t be attending college at all, making the friendships I have, or the life changes I have experienced. They have given me a brighter future to look forward to. I am beyond blessed by your generosity and see my life changing everyday for the better. Words cannot really describe the changes I have gone through but I know that would not be possible without your support and help. Thank you for directly affecting my life.”
April, Hendrick student

“Hendrick is more than a scholarship; they are a group of support, encouragement, and a light for those who have lost their way on the dark paths that life has brought them down. When hope for a better future seemed to have faded away, the Hendrick Foundation was there to save my dream.”
Bethany, Hendrick student
